Consent Form

I did indeed read the registration instructions and the rules of the event, and agreed to and complied with the requirements for registration and the rules of the event, and will follow the traffic and road safety rules.

I voluntarily participate in activities and that I am physically and mentally fit. My self-provided vehicles and equipment are normal, and I indeed understand the potential risks of this activity, such as sports injuries, weather abnormalities, mechanical failures, traffic accidents, etc., I will decide whether to complete or give up this event. In the event of a traffic accident, inadequacy of equipment, physical injury or death, I, my family, and the third party of the incident may not request the organizer to bear joint responsibility for any reason, and is willing to give up any legal prosecution rights.

No traffic control and personnel guidance are available for the event. I have understood the location of the route and the checkpoints.

There is no recycling mechanism for the activity and if it is necessary to abandon the self-care transportation on the way, it is recommended to inform relatives and friends for assistance.

Due to road conditions or weather safety considerations, the organizer reserves the right to terminate or change the courses of the activities. The accident has been insured (2 million) + medical insurance (10%). Insurance claims are subject to change according to the contents of the policy. Insufficient parts and special needs to be added depends on the private party.

I agree to authorize the hosting organizer to publicize or shared activity videos, photo portraits and names, completion dates, or other information related to the event.

If there is any disputes, legal proceedings, etc., the Pingtung District Court is the first jurisdiction court.
